AJ was not in attendance. Adam said that the range will be mats only starting next week since they will be seeding and preparing the range for an earlier open for next year. A new ball machine for the range is being shipped. The new machine will be a code not the key for range pass members. They will be installing a new net at the back of the range. The greens will be spiked not punched on October 9th and 10th, which will not have a significant effect on play.

Pro Shop Review

Chili and Die Hard coming up.

Tournament Committee

The two Member Choice events were well attended and there was positive feedback on both events. In the future the payouts will be looked at earlier to avoid confusion. The Crown Closer will be this Saturday, October 7.

Handicap Committee

The manually adjusted handicap for one member will be looked at this week.

Communications Committee

The Crown Closer is online. A few sign ups so far.

Membership

Nothing new to report. MOMC has 250 members this year.

Tuesday/Wednesday Events

Tuesday is the last night for the weekday events. Bruce, Bob and several other people that helped out during the year did a great job.

Match Play

Match play is just about completed. There are four divisions that have a last match to wrap up.

8, 12 and 16 Man Teams

The season is over.

Roster Book

There are several changes that will need to be made for next year's roster book. These need to be consolidated and relayed to the appropriate board member.

Old Business:

There are several MOMC board member candidates at this point. Anyone interested in running should contact Rick. The tumblers MOMC gave out had a leaking issue. The seller said it would credit our next purchase for the amount we paid. The Member's Choice #2 was well received with positive comments on the format.

New Business:

The Crown Closer prizes will be managed by Rick and Ryan. The 2024 calendar is set. We will need to put a down payment in the future to reserve the time slots. Money will need to be budgeted next year to accommodate this. The 2025 calendar is also tentatively set.

Next board meeting will be a transitional meeting with the new board members being installed.

Directors Corner:

Nothing additional to report.

Meeting Adjourned

The meeting was adjourned at 6:36. The next meeting is scheduled for Monday, November 6 at 5:30.
