- EVENT RULES:**
1. In a shamble event, all team members tee off on each hole and then decide which tee shot they like the best and mark the spot with a tee or ball marker.
 2. The other team members pick up their balls and place them within **one club length (no nearer the hole)** of the marked spot.
 3. If the ball you choose to play is in a hazard (sand, water, etc.), the rough, or out of bounds, you cannot drop the ball outside of the hazard or rough even if relief is within one club length away.
 4. If the selected tee shot comes to rest on the green, the placed ball must be played from **as close as possible to the marked spot (no closer to the hole)**.
 5. From the selected tee shot, each team member then plays out the hole with their own ball for their own individual score.
 6. The team should record the **gross scores** for all four players on each hole on the official score card.
 7. **We will be using Golf Genius to submit scores in real time.** A physical score card will still be required to turn in completed, attested and signed to the scoring area within 15 minutes of completing the round.
