

A new year!! Part Deux!!

Since our world was turned upside down with Covid-19 two years ago, we still continue to experience effects from Covid-19 variants and it continues to change the scope of our business and the lives of everyone. It has been a challenge to operate our business with staffing and supply chain shortages. We ask for your patience and respect during this time.

Our team is still committed to the safety and wellbeing for every guest that visits Majestic Oaks Golf Club for golfing, dining or any event. With guidelines constantly changing, we have had to make some tough decisions that affected our business and staffing. Luckily, we have been working hand in hand with Arcis who has been figuring out ways for all of our clubs to keep our business going. Arcis continues to grow and evolve. Arcis as a company would like to double in size by 2026. We are currently at 28 private clubs and 36 daily fee clubs. In November of 2021, it was announced that Arcis has entered into an agreement to provide management and operating services for Kilda Country Club, Golf and Residences, a new luxury golf resort community under construction in the Porto Heli area of the Peloponnese region in southern Greece. Very excited for our international expansion.

In 2022, we are committed to a great experience for our guests during golf, attending events and or dining with us. We want to continue our relationship with the Men's Club, Majestic Oaks townhome community, Ham Lake and surrounding communities in general. Staff for 2022 includes: Ashley Burton – Club Accountant, Mike Aanestad – Chief Engineer, Dan Hanson – Superintendent, Nate Holmstrom – Assistant Superintendent, Adam Erickson – Golf Professional, Austin Meissner, Assistant Golf Professional, Pam Schultz – Sales Director, Gibson Price – Food & Beverage Director, Trent Anderson – Executive Chef and Peter Gillen – Executive Sous Chef. We want to wish Mason Peterson the best of luck as he continues his Arcis career in Arizona at Arrowhead Country Club. Thank you for all of your years of service to Majestic Oaks. We will miss you. We also want to welcome our new Golf Operations Manager, Allison McDonald. We are very excited to have her on the Majestic Oaks team. She will manage and coordinate all aspects of tournaments and beverage carts. We are all here to provide you with anything you need for an enjoyable experience at Majestic Oaks.

We still have bingo on Wednesday and Saturday, corn hole leagues on Wednesday and Thursday and boot hockey four days a week. Dinner Theatre was a big success in December as everyone was excited to get out and enjoy it. Mystery Café also came back with about 10 shows in 2021/2022. Specialty bingo, comedy shows, dueling pianos/live music, brunches, Oktoberfest, spring and fall boutique, dj trivia and other events will be discussed for the upcoming year. We are very happy to announce that 2022 is the 50th anniversary of the naming of Majestic Oaks Golf club. Stay tuned for some events and other items related to this. We appreciate all of your support during the winter months in The Oaks Bar & Grill.

Last but not least, golf was pretty incredible last year with a ton of new faces playing golf or visiting Majestic Oaks for the first time. We hope with the nice weather approaching early that we can take advantage of an early spring and have a record year.

I look forward to seeing all of you and once again would like to thank all of you for your support of the Men's Club and of Majestic Oaks Golf Club.

Sincerely,

ARCIS GOLF
