

From the President - 2022

I would like to welcome everyone to what is sure to be a very exciting year as **Majestic Oaks and the Majestic Oaks Men's Club** celebrate our **50th Anniversary**. This is my 15th year in the MOMC. As I look back at all the great friendships that I have made as well as all the changes that have happened with me, Majestic Oaks and the MOMC, I know I am a better person today for being part of such a great club.

I would like everyone to join me in focusing in on 5 areas for the 2022 season and beyond.

1. **Competition** – Competition is a part of sports, whether you are competing against yourself to do better or competing against an opponent. Competition makes us stronger as a person and a club.
2. **Fun** – Having fun is infectious, this should be a primary goal for us all, it keeps us coming back.
3. **Inclusion** – Step out of your comfort zone & invite someone into your group, especially a new member. The more members that feel included will make our club stronger.
4. **Participation – Plan to Participate** – Lots of chances to play weeknight and weekend events, your participation is important to the Men's Club success. We support both the MGA and MPGA season long events including our 12 Man, 16 Man and Senior 8 Man teams.
5. **Respect – Respect the course** - leave the course as you would like to find it by repairing ball marks, replacing or filling divots and raking bunkers. **Respect your fellow players** – be sportsmanlike, polite and avoid distracting them. **Respect the game** – by knowing the rules & golf etiquette.

COVID still continues to have lasting effects on so many things but it won't affect our spirit. We will continue to work through the challenges and make any necessary adjustments to keep the safety of our membership in mind.

All of our popular weekend events are back again – the Opener, Summer Classic, Summer Social (Guest Day), Shootout, Two for the Money, Club Championships and the 12th Annual Crown/Closer with lots of great prizes at the end of the year. One of the new events this year will be the Members Choice where the membership will vote on the format at the spring meeting. We will continue our Tuesday and Wednesday night events as well as our season long match play. Everything can be found on our website at www.momensclub.com.

I thank the MOMC board of directors for all the hard work throughout the year, the MO Management Team, GM Emmett Lincoln, Superintendent Dan Hanson, Head Pro Adam Erickson and the MO staff as they work to make our Men's Club a success. Lastly, thank you for being MOMC members, without your participation and passion we wouldn't be the Men's Club we are today.

If you have any questions, comments or concerns during the year, contact me or any of the board members. We will do our best to answer your question or address your concerns.

Play well, have fun and I will see you out on the course.

Kelly Johnson
